

**WARNING! Buyer/user assumes all responsibility for safety and proper use not in accordance with the directions and safety labels.** 

**ViaAqua™**

- Adds a whole new decorative dimension to any aquarium
- Available in 6, 12 & 18 & 36 inch models
- Utilizes low wattage LED lamps and low voltage transformer
- Self-weighted

**Feature for Standard LED light & Airstone:**

- Great night light for nocturnal viewing
- Fully illuminates the air curtain

**Feature for Color Changing LED light & Airstone:**

- Great night light and tank illuminator
- Provides a color changing air curtain

**WARNING AND SAFEGUARDS**

Before installation of the LED Light & Airstone, read and follow these important warning and safeguards.

1. Always disconnect it from the power supply prior to maintenance of the aquarium.
2. Plug only into a GFCI (Ground Fault Circuit Interrupter). The national code requires that a GFCI be used in the branch circuit supplying power to all water pumps and electrical aquarium equipment.
3. Do not plug into an extension cord/power strip.
4. Do not operate LED Light & Airstone if any of the cords are damaged.
5. Do not operate LED Light & Airstone out of water.
6. For household use only.

This product may contain chemicals known to the state of California to cause cancer and or birth defects or other reproductive harm. Wash your hand after handling this product.

It is your sole responsibilities to verify that the plug and the receptacle are clean and free of moisture and salt build up at all times. The receptacle must be free of water, salt, calcium, magnesium and dust. Failure to do so can cause fire, damage to property, permanent damage to the product and personal injury not limited to loss of life.

Do not plug into extension cord/power strip.

A drip loop must be used when plugging all electrical aquarium devices.

A drip loop is that part of the cord hanging below the receptacle.

The national code requires that a GFCI (Ground fault circuit interrupter) be used in the branch circuit supplying all power to water pumps and electrical aquarium equipment. If you do not have a GFCI, have an electrician install one prior to operating any aquarium component.

**Additional Safety Precautions and Warnings:**

Age Recommendation: 18 years or over. Not a toy. Not intended for use by children without direct adult supervision.

As the user of this product, you are solely responsible for operating it in a manner that does not endanger yourself and others or result in damage to the product or the property of others.

**LIMITED WARRANTY**

Commodity Axis, Inc.® warrants that LED Light & Airstone is free from defects for a period of one year from the initial date of purchase shown on the original cash register receipt. Commodity Axis, Inc.® disclaims all other warranties, express or implied, including but not limited to any implied warranties of merchantability and/or fitness for a particular purpose. Although this limited warranty gives you specific rights, you may have other rights which vary from state to state. This warranty is void if the failure is due to misuse, tampering, negligence, abuse, accident and/or submersion, a failure to properly install, maintain, clean, reassemble, and/or failure to use LED Light & Airstone with a Ground Fault Circuit Interrupter (GFCI).

**CONSUMER REMEDIES**

Commodity Axis, Inc.® entire liability and your sole and exclusive remedy shall be either repair or replacement of LED Light & Airstone only if you return the defective unit directly to Commodity Axis, Inc.® with the original receipt in its original box along with seven dollars (\$7.00) for shipping and handling. Do not send LED Light & Airstone by insured mail. You may send your returns or replacements by UPS requiring a signature upon arrival. Any replaced unit will be warranted for the remaining time of the original warranty period. In no event shall any shipping charges be reimbursed. In no event will Commodity Axis, Inc.® be liable for any consequential or incidental damages, including but not limited to, lost sea life, personal injury, property damage, equipment damage, lost profits, lost wages, lost savings, lost income, etc., arising out of the use of LED Light & Airstone. Some states do not allow for the limitation or exclusion of liability for incidental or consequential damages, so the above exclusion may not apply to you.

**RETURNS**

Please contact our service center at (888) 838-3882 or fax (888) 989-0878 to arrange repair and/or replacement. Please allow 4-6 weeks for all returns. Commodity Axis, Inc.® cannot ship nor respond to a P.O. Box address.

**WARRANTY CARD**

LED-AS-36s	36in 6 watt Slow Color Changing LED Light & Airstone		3333 5

**Note:** These are just suggestions, however depending on the depth of the aquarium and the length of tubing used, a stronger air pump may be required.

## INSTALLATION

1. Consult a local fish store for the proper size airpump for your aquarium.
2. Follow all warnings and safeguards
3. Choose a location for the led light & airstone
4. If placing on the bottom of the aquarium,
  - a. Remove the gravel and debris from the chosen location.
  - b. Attach to the aquarium using suction cups
5. Connect a piece of airline tubing to the led light & airstone
6. Connect directly to the airpump. Follow manufactures instructions, warning and safeguards when installing the airpump

7. Plug in the Led light transformer directly to a GFCI outlet utilizing a drip loop
8. Plug in airpump.

## HELPFUL HINTS!

- To achieve the desired amount of air bubbles use a control valve and or an airpump that has a control valve.
- Always use a in line check valve.
- For the suction cups to adhere well the surface must be clean
- When cutting the airline tubing , cut the tubing a little long allowing for there to be some slack in the line. This will make it easier for the airstone to stay in the chosen position
